

## *Certificate of Analysis*

Product Name: Albumin BSA

Expiration Date: 07/29/2014

Product Number: R05161

Storage: 2 - 8°C

Lot Number: 721-4

Specification	Specification Limit	Result
Microbial Contamination, 10% soln.	<= 100 CFU/g	0
Moisture Content	<= 5.0 %	2.9

The material represented by this Certificate of Analysis was lyophilized using Bovine Serum Albumin liquid that was subjected to the following treatment at a temperature of at least 65 °C for a period of at least 3 hours and subjected to pH 5 or lower for a period of at least 3 hours. No additional materials have been added or come in contact with this liquid during the processing nor has this material been exposed to any untreated blood products.

The product meets European Union requirements for treated technical blood products. Approved facility No. VA-TEC-0005.

This product is Not for Human or Animal consumption.
