

## Discontinuation CaptureSelect™ C-tagXL prepacked column

Date: 28-Oct-2025

Dear Customer

Please be informed that we will discontinue CaptureSelect C-tagXL Prepacked Columns in April 2026. The products will be replaced by a similar, more robust column type, not changing the chromatography characteristics.

### Products to be discontinued:

Catalogue number	Description
494307201	CaptureSelect™ C-tagXL Pre-packed Column 5x 1mL
494307205	CaptureSelect™ C-tagXL Pre-packed Column 5mL

The alternative CaptureSelect C-tagXL GoPure columns are recently launched and commercially available.

### New products:

Catalogue number	Description
6943072001	<a href="#">CaptureSelect™ C-tagXL GoPure Column 1mL</a> ; Note: packed as single column
6943072005	<a href="#">CaptureSelect™ C-tagXL Go-Pure Column 5mL</a>

For details on dimensions and prices of these new columns please click on the link in the table above. Should you have any concerns and/or questions or you wish to request a free sample, please feel free contact us on [CaptureSelectSupport@thermofisher.com](mailto:CaptureSelectSupport@thermofisher.com) or send me an email.
