

## EDUCATIONAL PROGRAMS

# 2026 training and workshop offerings

At Thermo Fisher Scientific, we deeply value the power of learning and knowledge. With a rich legacy of innovation and a commitment to advancing science, we understand that education is the foundation of progress. That's why we are thrilled to introduce a year filled with exciting learning opportunities designed to cater to individuals at every level of knowledge.

Our 2026 Educational Program is a testament to our dedication to fostering curiosity, inspiring discovery, and empowering individuals to excel in their scientific endeavors. Whether you are a seasoned professional seeking to expand your expertise or a curious mind eager to explore the world of HLA, our program offers a wide range of educational experiences to meet your needs and aspirations. Join us on a transformative journey of discovery and growth as we embark on this educational adventure together.
